God Is The Source

God is the source of our thanksgiving as we live generously

- What is God calling you to trust Him with?
- When was the last time you decided to give from your heart?
- What are you thankful to God for today?

📖 2 Corinthians 9:6-12

God is the source of our replenishment as we live generously.

God is the source of our desire to live generously.

God is the source of the overflow of generous living.
