Run To The Cross

How can you not trust the one who moved to the cross for you as you moved away from the cross for self?

It's a good day to trust in the one who removes the shame and guilt of your sin forever. It's a good day to run to the cross!

 Matthew 26:36-46

From the moment Jesus took on our humanity, He moved, every day, one step closer to the cross.

As Jesus moved inexorably towards the cross, the disciples slowly moved away.

We do not run to the cross when we see it as a threat.

The very reasons we run away from the cross are the same reasons we need to run to the cross.

Jesus has paved the way for us to move towards the cross.

Jesus saves us from the very sin that took Him to the cross.

The cross is the only way because Jesus is the only Saviour.

There is no resurrection without the cross. No life without death.

"... the one who trusts in Him will never be put to shame."

1 Peter 2:6
